A minimum 2.0 cumulative GPA and a minimum 2.0 major GPA are required for graduation, so monitor your GPA closely. To meet degree requirements, some disciplines require higher grades in each course or a higher cumulative GPA. This four-year plan is only a sample and will vary by student and course availability.

After completion of the 18 credit foundation, students must pass a foundation portfolio review to continue in the studio art major. In the junior year, students must successfully complete a junior portfolio review. Only students who have successfully completed the junior review are eligible to enroll in ART490, 491, and participate in the senior exhibition.
